JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

STATUTORY PROVISIONS

- 4. Section 118, subdivision (b), states, in pertinent part, that the suspension, expiration, surrender, and cancellation of a license shall not deprive the Board jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated.
 - 5. Section 490 states:
- "(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.
- "(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.
- "(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code."
 - 6. Section 492 states, in pertinent part, that:

"Notwithstanding any other provision of law, successful completion of any diversion program under the Penal Code, or successful completion of an alcohol and drug problem assessment program under Article 5 (commencing with section 23249.50) of Chapter 12 of Division 11 of the Vehicle Code, shall not prohibit any agency established under Division 2

([Healing Arts] commencing with Section 500) of this code, or any initiative act referred to in that division, from taking disciplinary action against a licensee or from denying a license for professional misconduct, notwithstanding that evidence of that misconduct may be recorded in a record pertaining to an arrest."

- 7. Section 4520 states, in pertinent part, that the Board may discipline any licensed psychiatric technician for any reason provided in Article 3 (commencing with section 4520) of the Psychiatric Technicians Law (Code § 4500, et. seq.)
 - 8. Section 4521 states, in pertinent part:

"The board may suspend or revoke a license issued under this chapter [the Psychiatric Technicians Law (Bus. & Prof Code, 4500, et seq.)] for any of the following reasons:

- "(a) Unprofessional conduct, which includes but is not limited to any of the following:
- (4) Obtain or possess in violation of law, or prescribe, or, except as directed by a licensed physician and surgeon, dentist, or podiatrist, administer to himself or herself or furnish or administer to another, any controlled substance as defined in Division 10 (commencing with Section 11000) of the Health and Safety Code or any dangerous drug as defined in Section 4022.
- (5) Use any controlled substance as defined in Division 10 (commencing with Section 11000) of the Health and Safety Code, or any dangerous drug as defined in Section 4022, or alcoholic beverages, to an extent or in a manner dangerous or injurious to himself or herself, any other person, or the public or to the extent that the use impairs his or her ability to conduct with safety to the public the practice authorized by his or her license.
- (6) Be convicted of a criminal offense involving the falsification of records concerning prescription, possession, or consumption of any of the substances described in paragraphs (4) and (5), in which event the record of the conviction is conclusive evidence of the conviction. The board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline.

..

"(d) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision or terms of this chapter.

. . . .

"(f) Conviction of any offense substantially related to the qualifications, functions, and duties of a psychiatric technician, in which event the record of the conviction shall be conclusive evidence of the conviction. The board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline.
